We use Google Analytics to collect and process data. For details on how Google uses such data, please refer to "How Google uses data when you use our partners' sites or apps" located at [www.google.com/policies/privacy/partners/](http://www.google.com/policies/privacy/partners/).

Additionally, we make use of Google Analytics Advertising Features, specifically Data Collection for Google Signals. This feature allows us to collect data on our site and user traffic, which enables us to remarket that traffic through retargeting advertisements. Users may opt out of the Google Analytics Advertising Features by using ad settings, extensions (such as those offered by Google at <https://tools.google.com/dlpage/gaoptout/>), or any other available means (such as the NAI's consumer opt-out located at <https://optout.networkadvertising.org/?c=1>).

## 14. Legal Rights Concerning Your Information

Under certain circumstances, you have rights under data protection laws in relation to your Personal Data which are set out in more detail below:

## 15. Object to Processing

You have the right to object to the processing of your Personal Data where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts your fundamental rights and freedoms.

# 16. Request Restriction of Processing

This enables you to ask us to suspend the processing of your Personal Data in the following scenarios:

- a) if you want us to establish the data's accuracy;
- b) where our use of the data is unlawful but you do not want us to delete it;
- c) where you need us to hold the data even if we no longer require it as you need it to establish, exercise, or defend legal claims; or
- d) you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it.

# 17. Request to Transfer

If you ask us, we will provide you or a third party you have chosen, your Personal Data in a structured, commonly used, machine-readable format. Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.

# 18. Withdrawal of Consent

This applies where we are relying on consent to process your Personal Data. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent. If you withdraw your consent, we may not be able to provide certain products or services to you. We will advise you if this is the case at the time you withdraw your consent. If you wish to exercise any of the rights set out above, please contact us at [support@playdoge.io](mailto:support@playdoge.io).

# 19. Accessing your Information

You will not have to pay a fee to access your Personal Data (or to exercise any of the other rights). However, we may charge a reasonable fee if your request is clearly unfounded, repetitive, or excessive. Alternatively, we may refuse to comply with your request in these circumstances.

We may need to request specific information from you to help us confirm your identity and ensure your rights to access your Personal Data (or to exercise any of your other rights). This is a security measure to ensure that Personal Data is not disclosed to any person who has no right to receive it. We may also contact you to ask you for further information in relation to your request to speed up our response.

We try to respond to all legitimate requests within one month. Occasionally it may take us longer than a month if your request is particularly complex or you have made several requests. In this case, we will notify you and keep you updated.

## 20. Children's Privacy

Unfortunately, if you're under 18, you cannot use our Services without parental consent. We do not knowingly solicit or collect information from anyone under 18. If we become aware that a person under the age of 18 has provided us with Personal Data without verification and parental consent, we will work to delete it immediately.

## 21. Contact Us

If you have any queries or complaints about our collection, use, or storage of your Personal Data, or if you wish to exercise any of your rights in relation to your personal information, please contact us at [contact@playdoge.io](mailto:contact@playdoge.io). We will investigate and attempt to resolve any such complaint or dispute regarding the use or disclosure of your Personal Data.

Based on the applicable laws of your country, you may have a right to request access to the Personal Data we collect from you, change, or delete the Personal Data. To request the review, update, or removal of your Personal Data, please contact [contact@playdoge.io](mailto:contact@playdoge.io).
